Finance 435 is an advanced class combining elements of investments and corporate finance. The class carries a substantial workload, including assigned readings from multiple texts, and a series of problem sets. Prior coursework in Finance 310 and Finance 320 is required preparation for this class. **Enrollment in Finance 435 is competitive and requires that you have successfully completed Finance 310 and Finance 320 prior to the start of class and that you have instructor permission.** The following student characteristics may be considered: cumulative GPA; course grades in Finance 310, and Finance 320; Finance courses already completed; and recommendation(s) from Finance faculty. Successful candidates will be notified prior to registration for the semester, although the instructor will register all students.
