2006 CSCMP Student Sponsorship Program

Council of Supply Chain Management Professionals (CSCMP) annual conference will be held October 15 – 18, 2006 in San Antonio, Texas. The CSCMP national office and Central Iowa Roundtable jointly sponsor one college student to attend the conference. The students sponsored are typically undergraduates who are studying in the field of logistics or Supply Chain Management. During the conference, students are required to spend 50% of their time working with the CSCMP executive office staff for running the logistics of the conference. The remaining 50% of time can be spent for attending sessions of their choice, networking with attendees, setting up job opportunity appointments, and experiencing the conference as if a fully paid registrant. Below are what CSCMP will provide to the selected student.

- $100 cash ($50 from national office and $50 from Central Iowa Roundtable)
- Round-trip transportation to San Antonio (coach class air ticket).
- Shared hotel accommodations with another student from Saturday, October 14th to Wednesday, October 18th at one of the Council's headquarter hotels in San Diego.
- Meals from Saturday, October 14th to Wednesday, October 18th at the conference site.
- A detailed briefing on Saturday, October 14th, which will focus on the student's responsibilities and opportunities over the course of the 2½ day conference.
- A welcoming reception and dinner for all of the students and the arrangements committee to allow students to network in a casual atmosphere.
- The student's choice of books displayed on the conference book display (with the provision that the student assist in removing the books after the conclusion of the conference).
